

MAGIC SWIMMING SALMON

By Quickcraft

You will need

-
- ▣ **Metal coat hanger**
 - ▣ **Below fish template**
 - ▣ **Fishing line**
 - ▣ **Two small magnets**
 - ▣ **Scissors**
 - ▣ **Tape**
 - ▣ **Pencils**
 - ▣ **Laminate and laminating machine**

- 1** Bend coat hanger into the shape of a diamond. Bend the hook part to it is inside the diamond.
- 2** Children colour their fish. Laminate the fish and cut out. Tape a small magnet to the bottom of the fish and attach the fish to the hook inside the hanger with fishing line.
- 3** Place the second magnet to the bottom of the hanger. The action between the two magnets will make the fish twist and turn as if swimming in the ocean. Hang these around the room children will love to watch them.
